

## PERSONAL MANAGEMENT DIRECTORY

The Music Powers Management directory is a listing of many personal managers and companies that represent both new and established talent. *Before you solicit to them, please have only your BEST songs and press kit ready.* Also, please pay attention to *their particular policy.* If you see "Solicited demos by referral only" this means that if you want to send them your demo, it is highly suggested that you make contact with them through one of the Entertainment Attorneys listed in this book.
